Dear Edward

HAIRSPRAY – THE MUSICAL – BAOS – 18 MARCH

Thank you for the invitation to the performance of Hairspray at the Haymarket. The Mayoress and I enjoyed the evening. The performance was fantastic. Having seen the show twice on the UK tour, this performance would not have disgraced the tour. The spirit of the show was captured brilliantly and the leads were wonderful. Loved it.

Our thanks to Gordon Sutton for hosting us on the night and giving us a great deal of the background to the show. Praise to all involved with the show, on and off stage. A triumph for BAOS. I cannot wait for West Side Story.

Yours sincerely

Cllr Roger Gardiner
Mayor
